ALLERGY NOTIFICATION FORM

Educatering Solutions are commited to making sure we are providing meals for children with special diets for medical and cultural reasons. All parties need to work together to ensure safe meals are provided.

Whilst we provide meals which do not include allergens, we cannot guarantee that dishes may not contain traces of allergens, as there may be stored, prepared & cooked in the same kitchen as well as present in some ingriedients from the suppliers due to production techniques.

Please ensure this form is fully completed. It is vital that all forms are accompanied with a referral letter or other information from a medical professional (GP/consultant/dietician).
